Why Advertise on Careers.SignOnSanDiego.com?

The San Diego Job Seekers Choice

Offering the most local job listings anywhere online, Careers.SignOnSanDiego.com keeps both active and passive San Diego job seekers coming back time and again. More than 5,000 new local job seekers post their résumés each month and thousands more update their posted résumé, keeping our extensive database current and fresh.

Post quickly, post often, post affordably

Post open positions online within 24 hours using the Careers.SignOnSanDiego.com Single Job Posting or Multiple Jobs Posting services. Both services allow you to efficiently manage online recruiting efforts while reducing the cost per hire. Alleviate your administrative burden with our Automatic Job Posting assistant. We copy the jobs directly from your company Web site and post them on Careers.SignOnSanDiego.com. And since our cost per job posting is the lowest available, there's no easier way to advertise your vacant positions.

Give your hard-to-fill positions enhanced exposure with our Featured Jobs service. Your Featured Jobs advertisement will be seen by passive job seekers throughout the SignOnSanDiego.com Web site, and by thousands of active job seekers on Careers.SignOnSanDiego.com.

Job seekers want to know more about your company

Does your company culture, history or benefits package make you a standout employer? A Company Profile allows you to promote your company's unique offerings at a low cost. Introduce your company philosophy and branding to hundreds of thousands of active and passive job seekers with banner and tile advertising. These highly effective tools build brand awareness for your company and promote that you are hiring. Push your company message directly to the inbox of over 90,000 active and passive job seekers with exclusive sponsorship of our Career Wire email newsletter.

Find the right candidate, before they find another position

Careers.SignOnSanDiego.com houses one of the largest San Diego job seeker résumé databases available in the market today. With over 120,000 active résumés in our database and more than 1,000 new résumés posted every week, you can be sure to have a pool of highly qualified candidates from which to choose. You can search our entire database for new postings by date, keywords found in the résumé, or only those résumés submitted to your company. Give yourself the advantage when you need to find candidates quickly or have a niche position to fill.
